

BUSINESS INTERRUPTION (FIRE) INSURANCE

This policy provides a solution by covering loss of profit due to reduction in turnover arising from interruption of business followed by damages to the property by a disaster that is covered by insurance. This policy must be taken in conjunction with Wafa's Fire policy.

Business Interruption Policy covers:

- 1) Loss of gross profit.
- 2) Increased cost of working.
- 3) Optional covers also available
 - a) Accidental malfunction of public electricity, gas, or water supply.
 - b) Damage to customer's premises due to perils covered by Fire policy.
 - c) Damage to supplier's premises due to perils covered under Fire policy.
